

Trio Held After Boca Woman Is Robbery Victim

Pose As Good Samaritans,
Offer Ride Then Rob
Mrs. Gonzales

Three bay area men, charged with robbing an elderly Boca woman after they had offered her a ride in their car, are held in jail here on felony counts following their arrest by State Patrolman John Pedri, acting on a tip from Jay Clark, inspector at the Truckee quarantine station.

Mrs. Martinez Gonzales and her three year old granddaughter were standing beside Highway 40 at Boca Tuesday morning about 9:30 o'clock waiting for a bus to bring them to Truckee.

The weather was extremely cold and so when the car, driven by Harold Sullivan, 31, Richmond, accompanied by his brother, Ramie Lee Sullivan, 23, and Harold D. Ingram, 19, of San Pablo, stopped and the pair was offered a ride, Mrs. Gonzales gratefully accepted.

Demand Money
She had no sooner entered the back seat with Ingram, according to statements made to the officers, than she was beset by the youth who demanded her money. She protested and one of the trio, she said, struck her and seized her purse. The men stopped the car and Mrs. Gonzales and the little girl, both nearly hysterical from fear, were permitted to get out.

Mrs. Gonzales told Pedri later that the men took \$10 and a bank book from her purse.

The elderly woman had a meager description of the trio and the car which she gave to A. Pace of the Truckee Mercantile as soon as she reached Truckee. This description was broadcast by the patrol.

Return to Reno
In the meantime the trio of accused robbers returned to Reno. There, according to statements by the Sullivan brothers, they had breakfast and spent some time in the gaming places.

About three o'clock they started home and at the quarantine station Clark became suspicious and called the highway patrol. The car and occupants were picked up near the Tahoe. Truckee wye and after questioning the Sullivans allegedly admitted their part in the affair but Ingram maintained his silence, protesting that he was innocent of any wrongdoing.

Mrs. Gonzales said the men had been drinking and Pedri reported a nearly empty whiskey bottle was found in the car.

A check made to determine whether the men had previous police records revealed all have been arrested many times, on various charges from motor vehicle law violations to robbery and army desertion.

Girl Scouts, Brownies To Hold Food Sale

Troop 1 of Girl Scouts and Brownies will hold a food sale at the Truckee Mercantile Saturday, February 3, beginning at 9:30 a. m. A variety of delicious dishes will be on sale, including home made pastries, supper dishes, salads and candies. The proceeds will be used for the benefit of the local troops.

Norden Man Is Listed As Draft Delinquent

The selective service board at Nevada City reports that Carlos Fernandez of Norden is the latest addition to the list of registrants who have failed to report to the board. Stanley Chapman of Truckee has been listed with the United States attorney general's office as delinquent.

Hill Top Lodge to Hold Open House Saturday

Crandall Brothers of Truckee's Hill Top Lodge are holding an open house at the resort Saturday evening in observance of the opening of their new cocktail lounge. A buffet supper, dancing and a general get together good time is in store for those attending and the public is invited to enjoy the evening which will start at 8 o'clock.

Chamber Directors Meeting at California

The directors of the Truckee Chamber of Commerce will hold a dessert meeting tonight at the California Cafe at 7:30 o'clock. Plans for a meeting with the highway committee of the Reno Chamber of Commerce will be completed at this time.

82nd Year, No. 9

Truckee, Nevada County, California

Thursday, February 1, 1951

Since 1868

Truckee Traffic Nears Top Mark During Past Year

With the exception of Yermo, more vehicles entered California by way of Highway 40 and Truckee during 1950 than through any other border station.

In making the report, the department of agriculture said a total of 316,097 automobiles; 28,670 trucks and 6,521 stages entered California through Truckee, with a combined total of 943,719 passengers.

This was exceeded by Yermo only, where a total of 414,814 cars, 34,395 trucks and 3,989 stages, with a passenger total of 1,201,212 was recorded.

State Line on Highway 50 reported 88,573 passenger cars, 1,695 trucks and 267 stages with a total passenger count of 239,979.

The count indicates that nearly four times as many vehicles utilized Highway 40 as those selecting the sister route over Highway 50, according to the report.

The only other stations among the 18 nearing the Truckee count were Blythe, with 280,118 cars, and Fort Yuma, with 216,274 passenger cars, the report shows.

SUMMIT TOURISTS REPORT SEEING ATOMIC FLASH

Although no one locally has reported seeing the flash from the atomic bomb tests near Las Vegas, Nevada, last week, five passengers in a car which was coming across Donner Summit early one morning during the tests saw the brilliant display.

After reaching Truckee, the motorists stopped at the California Cafe where they related their experience to Ralph Bretthauer. They said they clearly saw the sky light up momentarily and later when reports of the atomic bomb test were made, there seemed little doubt of the truth of the story.

Open House Next Week For Local School District

An open house for parents and other interested persons in the Donner Summit, Truckee and Lake Tahoe area will be held in the Tahoe Lake School edifice Wednesday evening, February 7, beginning at 7:30 p.m., Mrs. Robert Briggs, principal, announced. Teachers will be in the rooms and will answer questions and show pupils' work progress.

Members of the Parents and Teachers Association will serve refreshments at 8:30. All are extended a cordial invitation to attend the affair and become better acquainted with the faculty and the study outline and aims.

Truckee Man Injured In Grass Valley Crash

Reuben Esparaza, of Truckee, was slightly bruised and shaken when his car overturned on Highway 20 twelve miles west of Grass Valley at 4:30 Sunday morning.

Investigating officers reported Esparaza said he fell asleep at the wheel while traveling toward Grass Valley. The car missed a curve, climbed a bank and overturned after striking a large boulder. The driver was cited for speeding.

Adams Is Jailed For Violating Sobriety Law

Robert Adams, 32, who was recently cleared on a charge of involuntary manslaughter as the outgrowth of the death in a car crash of Dr. Jack Loughridge, Sacramento dentist, was being held in jail on a charge of violating the county's sobriety ordinance, Constable N. F. Dolley reported.

Adams was taken before Justice of the Peace Fosten Wilson and sentenced to serve 30 days in the county jail.

Windsat at Sacramento— Mrs. Chris Windsat of Soda Springs has written of an ad- dress change to Sacramento.

In Bakersfield—
Mrs. Julia Crease is in Bakersfield this week visiting friends and relatives.

Defense Group Organized Here By Local Posse

Will Be Organized to Aid
In Major Disaster
Relief

The foundations for a civil defense program were laid here this week in a series of meetings of members of the Nevada County Sheriff's Ski Posse.

On Monday night, the full posse held its first meeting under Sheriff Wayne Brown at the Sportsman, Truckee Resort. At that time a defense council was named to aid in emergency or disaster. Wednesday night the first organizational meeting of the council was held at the fire house and heads were named for the various functions as follows:

Dr. L. D. Nelson, medical; Mrs. Hal Gilson and Mrs. Art Walters, nursing; Frank Gaiennie and Roy Waters, first aid; Jack McGlade, medical supplies; Wesley Fair and Oscar Schumacher, police; Anthony Pace and E. E. Boehm, fire; Cecil Clepper and Stan Zwarg, communications; N. F. Dolley and F. W. Wilson, transportation; Reg Smart, feeding and supplies; Mrs. Karl Kiehlhofer, housing; Fred Morris and Wally Watkins, sanitation; William Gautsche, traffic.

Dr. Nelson spoke briefly on the importance of the formation of first aid classes and defense groups.

The idea behind the local set-up is primarily to assist as much as possible should disaster strike at more congested areas nearby and is not necessarily purely local in concept.

The next meeting of the defense council will be held here on Sunday evening, it was announced.

COFFEE SHOP REOPENS TODAY; IS REDECORATED

Goodfellows Coffee Shop was scheduled to open today, after being closed for six weeks to allow for renovation and redecoration.

Most noticeable of the improvements is the new interior color scheme. The ceiling and back wall of the dining room is a brilliant red-orange; the walls to booth level a bright sunlight yellow and trim for the back of the booths is in hunter green. Also noted in the dining room is the stainless steel facing for the counter, finished in a quilted pattern.

In addition, the ice boxes, garbage room and rest rooms have all been repainted and other minor improvements made.

Manager Reg Smart is extending an invitation to the public to come in, view the work and offer comment.

Folk Dancing to Feature Outing Club Meeting

A meeting of the Truckee Outing Club will be held on Saturday, February 10, at 7:30 in the Truckee elementary school building when officers for the coming year will be nominated. Reg Smart will preside at the brief business meeting which will be followed by folk dancing. Refreshments will be served.

The local club plans to send a candidate to the Lake Tahoe Chamber of Commerce Snow Ball queen contest at Cal-Neva on February 11.

Truckee, Tahoe Men Nad to Scout Board

The Tahoe Area Council, Boy Scouts of America, held its annual meeting in Auburn Sunday, January 28. There were 174 Scouters and ladies on hand from various communities of Placer, Nevada and Sierra Counties.

Council officers, executive board and advisory committee members were named for the coming year. Locally, Robert C. Gifford and Dr. L. D. Nelson of Truckee; Stanley Martin and Clarence Beavers of Tahoe City were named to the executive board.

Sun Beams by Walter M. Barrett

Doctor Bernard, one of the few remaining Horse and Buggy physicians, who devoted his life to save others from suffering and who gained a far-reaching reputation as a pioneer in administering aid to all who called upon him, this week went to his reward. It would take little imagination to write volumes of the deeds performed by this man who spent half a century in the rugged high Sierra fighting the elements at their worst to go to the bedside of his patients. Deep snow, blizzards, trailless terrain and sub-zero weather couldn't stop him. His courage was admired by legions. Many are the stories of his errands of mercy, for the most part forgotten even by those to whom he administered. Even during his last days, when he was suffering from what he knew was a lingering, fatal disease, he carried on, making his rounds, doing what he could and always without complaint. We truly believe that who ever wrote, "Give me men to match my mountains," had in mind men like Doctor Bernard, for if ever a man matched the mountains it was this heroic physician. His memory shall long be cherished by his friends and the community he so long served will miss him beyond words, and will join in saying, "Well done, Doctor."

OPEN HOUSE AT ST. LOUIS CAFE FOR NEWLYWEDS

The public is invited to the open house party being arranged by Mr. and Mrs. George A. Carter to be held in the St. Louis Cafe Tuesday evening, February 6, at 8 p.m.

Mr. and Mrs. Carter were married last week at Virginia City and after a brief honeymoon in San Francisco have returned home and have arranged the party to which everyone is invited free of charge.

The affair will be featured by a buffet supper to be prepared by Chef Earl Brown and nothing will be omitted to make the get-together a success.

Pythian Lodges Seat New Officers Friday

Following the public joint installation of the Knights of Pythias and the Pythian Sisters which was held Friday evening at Odd Fellows Hall, pictures were taken of the new officers and the degree team.

Mrs. Hazel Roberts was installed as most excellent chief of the Sisters and Don Sites was installed as chancellor commander of the Knights. The degree team, under the supervision of Captain Mrs. Pearl Heller, put on the impressive public drill which consisted of a moonlight ceremony. Past chief pins and certificates were presented to Mrs. Mildred Coffey and Mrs. Roberts.

AAUW Hobby Show Slated This Spring

Mesdames C. E. Martin and Ray Scott entertained at a luncheon meeting for the board of directors of the Tahoe-Sierra branch, American Association of University Women, Wednesday afternoon in the home of Mrs. Scott at Gateway Park.

Mrs. G. E. Lewis presided at the business session when civil defense was discussed and plans were made for a hobby show to be held in the spring. Any person who has a craft or other hobby will be welcome to exhibit his handiwork and young people of high school age are encouraged to take part in the coming show.

Mrs. John Roberson was appointed as secretary of the group. Others present were Mesdames Clifton King, David Anderson and daughter Roberts, I. W. Wilson, Charles Warner, Arthur Eve, H. E. Slade, Clarence Beavers, Ronald Kurtz.

Pair Rescued As Car Plunges Into River Near Here

Car Swept to Destruction
Just As Woman Is
Hauled Clear

In a spectacular rescue, two young Sparks, Nevada, residents were saved from almost certain death in the swirling waters of the Truckee River near the Flycasters Curve last Thursday night after their car plunged into the stream after skidding on the curve.

The rescue was conducted by W. W. Anderson, Reno businessman, and his brother, Clayton, of Oregon, who were in a car immediately behind the car driven by Oland D. Crabtree, 22, who had as his companion, Miss Sue Hanson, 22.

State Patrolman John Pedri, who made the investigation, said the Crabtree car passed the Anderson vehicle shortly before the accident. After passing the curve, the car skidded 69 feet down the highway shoulder and 73 feet over the rocks along the river before diving into the current with the wheels in the air.

The Andersons stopped and one of the brothers waded as far as possible into the stream and tossed a rope to Crabtree. The latter fastened the rope under Miss Hanson's arms and quickly freed himself from the car and assisted the brothers in pulling her to safety.

Just as the young woman cleared the car, the vehicle swirled into the heavy current and demolished itself on the rocks which line the river bottom.

Miss Hanson suffered painful lacerations of her forehead and otherwise both escaped with abrasions and bruises. They were taken to their home in Sparks by the Anderson brothers, who were credited with saving their lives.

Pedri issued a citation to the driver for not having the car under control.

STOKES IS SEATED AS 83RD MASTER OF F&A MASONS

Last Thursday night, E. J. Stokes of Kings Beach was installed as 83rd master of Truckee Lodge 200, F&A Masons, in an impressive ceremony during which R. E. Tonini was installing officer and C. B. White master of ceremonies.

Others seated with Stokes included O. T. Schumacher, senior warden; D. H. Bowman, junior warden; C. B. White, treasurer; V. L. Deaton, secretary; J. D. Anderson, senior deacon; H. D. Stark, junior deacon; I. F. Miles, marshal; V. T. Garrett, chaplain; H. T. King, tiler.

Following the rites, refreshments were served.

World Day of Prayer Observance Feb. 9th

The Community Methodist Church of Truckee will participate in a World Day of Prayer on the first Friday of Lent, February 9. The observance is international, interracial and interdenominational, according to Mrs. Ray Hintz, president of the Woman's Society of Christian Service. The world-wide observance will begin at dawn in the Fiji Islands and follow the sun around the earth. All civic and social groups are invited to join. The WSCS was meeting today to complete local plans for the day.

Red Waller Takes Exam For Possible Induction

John (Red) Waller had a busy week celebrating his birthday on January 24 and taking a pre-induction physical examination two days later. He is employed by Rose Brothers Market.

Back from Sacramento—
Mr. and Mrs. William Gautsche and son Roland last Friday attended the wedding of the former's father at Sacramento, returning home the same evening.

Parent-Teacher Group Starts In North Lake Area

At the meeting of the Tahoe-Truckee Unified High School group held in the Kings Beach elementary school Tuesday, plans were made to form a parents and teachers association.

Proposed by-laws are being drawn up by the committee composed of Cliff King, principal of the high school, Mrs. Edgar Moore of Tahoma and Mrs. Larry Rood of Kings Beach. Mrs. George Rutledge of Kings Beach and Miss Virginia Angelo of Truckee were elected temporary chairman and secretary.

The next meeting will be held in the Truckee elementary school on Monday, February 12, at 8:00 p.m. On the agenda will be the first reading of the proposed by-laws and discussion of high school curriculum.

Following this meeting, the group will join with the Truckee Union PTA to enjoy a brief Founders Day program and entertainment by high school students' choral group under the direction of Ernest Douglas. All interested parents and teachers in the Tahoe-Truckee Unified School District are urged to attend.

MERCURY RANGES OVER 53 DEGREES IN WEEK PAST

The .03 of an inch of precipitation recorded here since last Thursday brought the season's total to 32 inches, or 17.86 inches over the normal of 14.14 inches for February 1, according to the U. S. Forest Service here.

During January a total of 63 inches of snow fell but the amount on the ground has diminished to approximately 18 inches.

The coldest night recorded at the ranger station was zero and the warmest reading for the week was 53 degrees.

RED CROSS HERE NAMES OFFICERS, SETS UP BUDGET

At a meeting of the advisory committee of the Truckee branch of the American Red Cross last week, a tentative budget was adopted calling for an expenditure of \$1307.50 for local relief work. Last year more than \$1000 was spent locally, according to Mrs. Fosten Wilson, home service chairman.

The budget includes \$200 to provide swimming lessons for children during the coming months. \$420 for home service work and sundry other expenses.

All officers were reelected including John Ciardella, chairman; Mrs. Walter Loynd, treasurer; Mrs. H. S. Eaton, secretary; and Mrs. Wilson, home service chairman. Wesley Fair was added to the advisory board to assist in cases arising at night.

Mrs. Wilson said the annual financial drive will start early in March.

Vehicle Registration Deadline Is Nearing

February 5 is the final date when vehicle owners may procure their 1951 registration without penalties.

The Truckee office of the California Highway Patrol, which handles renewals and issues plates for cars, trucks and trailers, has been swamped during the past few days as local owners make application for renewal.

The office is open from 9 a.m. until noon and from 1 to 4:30 p.m. except Saturday, when it closes at noon.

No driver's license will be issued during renewal period, William Gautsche, patrolman in charge of the office, announced.

Donner Lake Visitors Are Featured in Life

Several members of Kappa Delta Rho fraternity of the University of California, who were visiting at Donner Lake and skiing in this region last weekend, were justly elated when their memorial to drafted fraternity men was pictured on page 30 of the January 29 issue of Life magazine.

Last Rites Will Be Held Friday For Dr. Bernard

Over Half-Century Service
Ends on Wednesday
For Physician

Requiem High Mass for Dr. Joseph Henry Bernard, pioneer Truckee physician, who died at a Reno hospital on Wednesday morning at 1 o'clock, will be said at the Assumption Catholic Church here Friday morning at 8 o'clock with Father P. J. O'Neill officiating.

The body of the prominent physician will lie in state at the Ross-Burke Chapel in Reno until 1:30 p.m. Friday where a short funeral service will precede interment in a Reno cemetery.

Dr. Bernard was taken to the hospital Monday morning where he again underwent surgery for a disease from which he had suffered for the past three years.

A native of Portland, Oregon, Dr. Bernard was born February 6, 1879, and would have been 73 on his next birthday. He was a graduate with the class of 1899 at Stanford University and for two years was resident physician at Sister's Hospital at Sacramento. He left there to go to Tuolumne County and came to Truckee January 1, 1905, and opened his office.

Since that time he had been in active practice here and on September 7, 1949, he completed his 50th year as an active practitioner.

Leaves Family
Surviving are his wife, Mrs. Edna Bernard of Truckee; a daughter, Mrs. Josephine Davidson of Livermore; a sister, Mrs. Gertrude Stickney of Portland, and two brothers, Charles and Albert, both of Beaverton, Ore.; and two grandchildren, Mary and Donna Davidson of Livermore.

Active in local community affairs, Dr. Bernard was a member of the Truckee Fire District board of directors and it was largely through his efforts that Truckee is equipped with modern fire fighting equipment and a well-organized department of volunteers.

Rugged History
Dr. Bernard's history as a physician in the high Sierra would read more like fiction than fact. He has battled blizzards and deep snows in sub-zero weather to reach the suffering, often when he knew that his only payment would be the satisfaction of doing his duty. Train wrecks, industrial accidents, fatal epidemics and more common illnesses were taken in his stride regardless of weather or his own welfare. Hundreds now living owe their lives to this man who placed his Hippocratic oath above his own comfort and safety at all times.

Often with little to work with beyond his own knowledge and his capable hands, he has administered successfully to scores of isolated humans.

Worked to End
Typifying his entire life was the way he carried on his work even during the last few weeks of his life. Suffering constantly from what he knew to be an incurable ailment, he continued to make his daily rounds administering aid to his patients and never complaining of his own more critical condition.

Few if any medical men have ever experienced the hardships encountered and continued to devote their energies with as little worldly gain as did Dr. Bernard. The sincere sympathy of a bereaved community will be expressed to his family.

Don Huffs Welcome Another Grandchild

Word from Woodland tells of the arrival of a six pound 9/16 ounce baby girl to Mr. and Mrs. Donald Huff. The girl is the third grandchild of Mr. and Mrs. C. Don Huff, owners and operators of Homewood Resort at Lake Tahoe. Susan was born Monday morning at the Woodland Clinic Hospital.

John Moore to Edit High School Annual

John Moore was named editor of the Tahoe-Truckee High School annual on Tuesday. The staff working with him will be Jean Todd, assistant editor; Jeanie Rood, girls sports; Sheldon Jones, boys sports; Shirley Tiedeman, art editor; Charles Smith, business manager; Dale Rich, assistant business manager; Simon Dominguez, photography editor.

One Year Old— John Henry Preston, son of Mr. and Mrs. William Preston, observed his first birthday on Sunday, January 28.

as president; Harry Harrison, vice president; P. M. Burroughs, treasurer; Dorothy O'Brien, secretary; and Harry Stubley, corresponding secretary. Guests at the meeting were Frank Poali of Applegate and L. M. Anderson of Forest Hill, Placer County supervisors whose districts include portions of Lake Tahoe. They said that there will shortly be a rezoning of property in this area and Harry Stubley was appointed to make a survey of the wishes of local residents in this matter. Plans are underway for a big free feast to be sponsored by the club within the next two weeks. Dorothy King and Alice Sorensen are in charge of this ambitious project.

The Community Christmas Committee used its excess funds from the Christmas party to secure a community hospital bed, which has arrived this week and is under the supervision of Dr. J. Nessim. The bed will be moved to the home of patients when needed and available. It was immediately put to use this week when Veryl (Zero) Draney came home from a Reno hospital where underwent a series of spinal operations. He will be con-

Two-score huge billboards eight feet high by 24 feet long will be erected along two-lane sections of U.S. Highway 40 across the Sierra in the nation's first "outdoor lobby" for improvement of the highway between Sacramento and Reno. The signs are a joint effort of the Reno Chamber of Commerce and the Placer County Chamber of Commerce to get Federal aid for widening of the mountain road to four-lane width. The boards, illustrated above, will be painted in four colors.

finer to bed for another month. Mary Boyce celebrated her 17th birthday at a party in the home of her parents, Mr. and Mrs. Richard Boyce, on Tuesday, January 23. A wonderful time was had by all and all enjoyed an excellent turkey dinner with all the trimmings. Sharing the occasion with Mary were Toni Street, Blodwyn Tiffie, Dorene Quam, Ray Sorensen, Russell Harried, Fred Holt and Clifford Dockham.

The North Tahoe Women's Club elected new officers at their meeting last Thursday night, January 25. Minnie Wagner is the new president; Unadell Crawford remains as vice president; Margaret Recorden, treasurer; Gladys Bryant, secretary. Mrs. Wagner is in charge of the annual Hat Party, which has proved such a success in years past and which will be held this year on March 1. Alice Sorensen, retiring president, extended her thanks for the wonderful support she has received during her two terms in office. In turn, members congratulated Alice on a good job well done. A special collection was taken. This was added to the club's Sunshine Fund and the total was donated to the March of Dimes.

Two weddings of local interest occurred last week. Early in the week, Ed Davis, employed by Contractor Bud English, claimed Mrs. Rudolph of Kings Beach as his bride. Later, Billy Hall, son of the Sherwood Halls, and Barbara Parr, daughter of Mr. and Mrs. Ivan Parr of Brockway, were united.

A group of college students up for skiing from Santa Barbara, currently stopping at The Burroughs, are having a grand time in spite of the fact that on their first day up, their leader, Lee A. Beaver, took a bad spill on the Granlibakken ski run which resulted in a broken leg. Just two days later Lee's friend, Earl Abrams of Vallejo, who had joined the party, came down with a badly wrenched knee and torn ligaments. He'll be on crutches for quite a while. Then, to round out the detail, one of the girl members of the party, Mary Jackson, received an injury to her back. With three of a party of seven injured, leaving four to ski, cook and entertain, they're still in the gayest of spirits and staying out their eight-day reservation.

Another group from the University of California International House at Berkeley are having the time of their lives on a ten-day reservation at The Burroughs.

112 Federal Employees in Nevada County

Nevada County has 112 federal employees, according to a report by a joint congressional committee. Categories of federal employees in this county include Tahoe National Forest personnel, post office and veterans administration employees.

Federal employees in nearby mountain counties, according to the report, tallies: Alpine, 3; El Dorado, 136; Placer, 115; Sierra, 15; Plumas 102.

The report shows California leads the nation, including the District of Columbia, in federal employees. Every county in the U. S. is represented except Armstrong County, South Dakota.

The report by the joint committee on reduction of non-essential federal expenditures said the number of federal workers is nearly two million and increasing rapidly.

Jujubes, persimmons and peaches are among the the agricultural crops of Sutter County.

Howard Pyle Enlists in Air Force

Howard A. Pyle, well known Tahoe City and Auburn young man, enlisted in the Air Force early this month and has been assigned to duty at Mather Field with a technical illustrators crew. Pyle formerly served in the Navy air corps and was a member of Co. D, 184th Infantry, Auburn National Guard organi-

zation. A graduate of Placer Union high school and Placer College, he spent his early youth at Tahoe City and recently has skied under the auspices of both the Lake Tahoe Ski Club and the Auburn Ski Club. His wife, the former Sally Cross of Tahoe City, is residing with his mother, Mrs. Anna Pyle, in Auburn.

Truckee Elementary School News

BIOGRAPHY
—by Roberta Peden
Our eighth grader this week is Eddie Bottel. He was born May 14, 1937 in Riverside, California. He is 13 years old.
Eddie's favorite sport is football, his hobbies are boats and airplanes. His best and favorite subject is history, though Eddie gets good grades in all his studies. His favorite singer is Dennis Day and his favorite song is "Lucky Old Sun." Eddie Bottel also belongs to the Boy Scouts of America.

PERSONAL NOTES
—by Ginger Reynolds
Eugene Carrillo went to Reno and Loyalton over the weekend.
Mary Ann Tonini and Ginger Reynolds went skiing at Hill Top Lodge over the weekend.
Suzanne Knoefler went to Placerville Saturday and came back Sunday.
Billy McClain went to Reno on Saturday.
Donald Metteer went to Sacramento Friday, returning Sunday.
Glen Sadocchi went to Bakersfield Wednesday and came back Sunday.
Stanley Rasmussen is giving dog sled rides at Hill Top Lodge.
Tommy Dolley went skiing Saturday.

GLEE CLUB AND BAND
—by Lee Rich and Clarita Richards
From the first of the term, some of the seventh and eighth grade people have been going up to the High School to play in the High School TNT band. They go up every day at 12:45 until 1:45 p.m.

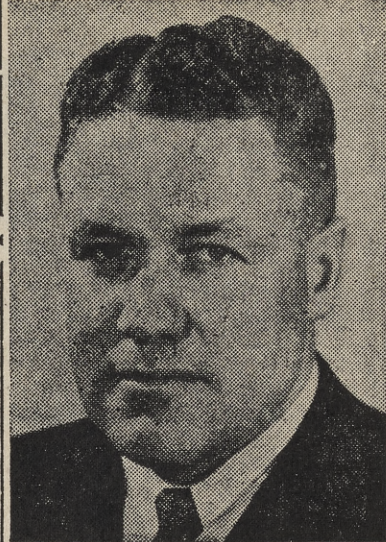

There have also been five girls going up to the High School to practice with the Glee Club. They are going to sing February 12 at the Elementary School.

Those going to band are Bill McClain, David Germain, Donald Metteer and Mary Ann Tonini. Those going to Glee Club are Roberta Peden, Janice Buehler, Suzanne Knoefler, Lee Rich and Clarita Richards.

CAFETERIA
—by Bill McClain
The record for lunches this year is 145. The meals have been very good. The girls from the 5th grade through the 8th grade have participated in the serving of lunches with Mrs. Frey.

Former Call Boy Wins Railroad Promotion

V. E. Anderson

Appointment of V. E. Anderson as superintendent of transportation for Southern Pacific was announced recently by C. H. Grant, general superintendent of transportation by the company. Anderson's headquarters are in San Francisco, with jurisdiction extending over the railroad's Pacific lines in six western states, Grant said.

Anderson has been with the railroad for 21 years, the last three years as assistant division superintendent, with headquarters in Ogden. He started with the company in 1929 as a caller of train and engine crews on the company's Western Division in Oakland. Advancing as a yardman, engine foreman and yardmaster, he became an assistant trainmaster on that division in 1943. He was a trainmaster and terminal superintendent on the railroad's Tucson Division before taking his recent position at Ogden.

Truckee Post Office and saw the cancelling machine, mail sacks, and the sorting table. We saw how packages are handled. We have worked very hard and have learned many things.

BANK DAY
—by Judy Loynd
On Thursday of every week from the second grade through the eighth grade a Bank Day is held. Every room has a fighting chance for the Bank Thrift pennant which is given to the room depositing the most money during that week. It has turned out to be very successful. Keep up the good work, kids.

BATTLE OF SEXES EXTENDS TO SNOWSHOE RACING

TAHOE CITY—A crowd was on hand Sunday afternoon at the Tahoe City golf links to see the running of the first snowshoe challenge race between the ladies and men members of the Lake Tahoe Ski Club, which, because of its reception, is destined to become an annual event.

Miss Kathleen Starratt was the captain of the women's team and she laid out the obstacle course for the men. Eddie Moore of Tahoma manned the loudspeaker he donated for the day's events. The men struggled over automobile tires, climbed ladders and saw horses, and hurdled over ropes. Each "gate" was supplied with balloons tied with knots, which had to be untied before the contestant could proceed.

The ladies balloons were tied with bow knots and there were no obstacles. The first race over the quarter mile course went to the women. But the men asked for another try without the hurdles and the second event went to them by a mere 12 inches. Prizes for the winners were refreshments served at Tahoe Inn.

The men's team, captained by Ray Fellows of Carnelian Bay, included Floyd Carnell, Jack Starratt, Mr. Guth of Tahoe Lodge, Bill Jenkinson, Wesley Donaldson, Ray Kardau and Mr. Young of Rockwood Inn. The women, captained by Kay Starratt, included Mrs. Beulah Carnell, Mrs. Margie Fellows; Mrs. Patty Scott, Mrs. Guth, Mrs. Jenkinson, Mrs. Jim Martin, Mrs. Ila Martin, Mrs. Al Henry and Mrs. Elsie Young. These races will be repeated during the cross country racing on February 10, between the time racers leave and return to the starting line.

Junior Skiers Work Out For Badger Pass Meet

TAHOE CITY—Junior members of the Lake Tahoe Ski Club reported at Granlibakken Saturday for some practice work under the direction of James Brehler, ski instructor.

Mr. and Mrs. Bud Scott of Carnelian Bay and Pete Huega of Lake Forest will furnish transportation for the eight members of the Lake Tahoe Ski Club's Junior Ski team who will compete in the National Junior championship meet to be held at Badger Pass February 3 and 4.

Henry Enters Hospital For Examinations

TAHOE CITY—A. M. (Joe) Henry of Tahoe City Garage is

in Stanford Memorial Hospital at San Francisco where he is undergoing a series of examinations to determine the cause of his back and leg trouble. He was accompanied to the bay region on Tuesday by Mrs. Henry and entered the hospital on Wednesday. His many Tahoe friends are wishing him a speedy recovery.

the Railroads **RESPECT...**

the Labor Unions seek to **REPUDIATE** this agreement!

What is the TRUTH?

At various states in the present dispute with the brotherhoods of railroad operating employees . . . the railroads agreed to arbitrate. The union leaders refused. . . the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused. . . the railroads accepted the White House proposal of August 19, 1950. The union leaders refused. Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement. The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated. The Agreement is given in full below.

MEMORANDUM OF AGREEMENT

Washington, D. C.
December 21, 1950

1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be men required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
3. Settle rules for 40 hour week and 6 day week.
4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
5. Settle following rules:
Initial Terminal Delay (Conductors and Trainmen)
Interdivisional Runs
Pooling Caboose (Conductors and Trainmen)
Reporting for Duty
More than One Class of Service
Switching Limits
Air Hose (Conductors and Trainmen)
Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)
6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining-car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified. In addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote and the employee representatives shall have one vote and the referee shall have one vote.

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

** The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

Attorney for Plaintiff
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

SUMMONS
GENO GIOVANNONI and MARY GIOVANNONI, his wife, Plaintiffs, No. 9786 vs. MRS. JANE MILLER, WM. MILLER, A. W. CRAIG, FREDERICK E. HENRY, HARRY M. HENRY, MRS. JAMES E. HENRY, S. W. MOLKENBUHR, SIERRA PACIFIC POWER CO., a corporation, TRUCKEE - TAHOE LUMBER COMPANY, a corporation, and also all other persons claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto. Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA, SEND GREETINGS TO: MRS. JANE MILLER, WM. MILLER, A. W. CRAIG, FREDERICK E. HENRY, HARRY M. HENRY, MRS. JAMES E. HENRY, S. W. MOLKENBUHR, SIERRA PACIFIC POWER CO., a corporation, TRUCKEE - TAHOE LUMBER COMPANY, a corporation, and also all other persons claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto.

DEFENDANTS.
YOU ARE HEREBY DIRECTED TO APPEAR and answer the complaint in an action entitled as above brought against you in the Superior Court of the State of California, in and for the County of Nevada, within ten (10) days after service on you of this summons, if served within this county, or within thirty (30) days if served elsewhere.

YOU ARE HEREBY NOTIFIED that unless you appear and answer as above required, said plaintiffs will take judgment for any money or damage demanded in the complaint arising upon contract or they will apply to the court for any other relief demanded in the complaint.

This action is brought and the object thereof is to quiet the title of plaintiffs, to determine any and all adverse claims to and clouds upon the title of plaintiffs to the real property described in the complaint, and to make the above named defendants, and all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto, set forth the nature of their claim or claims to the property hereinafter described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and that title of plaintiffs to the same be quieted against them, and each of them, or as to any unknown.

That said land is situate in the County of Nevada, State of California, and is more particularly described as follows:

A portion of the Southeast quarter (SE¹/₄) of Section 10, Township 17 North, Range 16 East, M.D.B.&M., and a portion of Block "E" of the Town of Truckee, situated in Section 15, Township 17 North, Range 16 East, M.D.B.&M., described as follows: Beginning at a point on the North boundary line of Section 15, Township 17 North, Range 16 East, M.D.B.&M., said point being South 89 deg. 08' 30" West 445.37 feet from the Northeast corner of Section 15; thence North 19 deg. 00' West 53.2 feet; thence North 71 deg. 00' East 53.2 feet; thence South 19 deg. 00' East 90.0 feet; thence South 71 deg. 00' West 53.2 feet; thence North 19 deg. 00' West 38.8 feet to the point of beginning. The property herein described containing 0.11 of an acre, fronting on the North side of Church Street prolonged Easterly and bounded on the West by the Sierra Pacific Power Co. formerly the Truckee River Power Company and bounded on the North and West by the Truckee-Tahoe Lumber Co.

GIVEN under my hand and the seal of the Superior Court of the State of California, in and for the County of Nevada, this 29th day of November, 1950.

R. E. DEEBLE, CLERK
By ERIK P. ANDERSEN, Deputy.

OVERCOME BY FATIGUE, MARINES SLEEP IN THE SNOW—When U. N. forces, withdrawing from northeast Korea were halted on an icy trail in subzero temperatures by a Red Chinese roadblock, many of the men sank down in their tracks and slept until the weary march was resumed. Plucky Americans refused to call this a retreat, but fighting in another direction, and carried their dead and wounded.

financial report.

The list of junior competitors who will be entered in the Badger Pass National Junior Championship Meet on February 3 and 4 by the Lake Tahoe Ski Club are as follows: Junior 1: Clifford Dockham; Junior 2: Leonard Fuson, Charles Smith and Collette Morhain; Junior 3: Louis Fellows, Don Stark, Duane Pomini; Junior 4: Rex Donaldson. Pete Huega of Lake Forest will enter his seven year old son, Jimmie, in Junior 5, this young expert showing rare promise for so young a skier. The team will be accompanied by older members of the club who will act as chaperones.

Trophies for the Lake Tahoe Ski Club's FWSA A, B, C and D jumping championships and cross country championships on February 10 and 11 and for the Junior Meet to be held here in March, are on display in the window of Jays' Tahoe City Drug and tickets for the FWSA meet here are now on sale and can be obtained from ski club members. Ten percent of the money raised from the sale of said tickets will be given to the March of Dimes.

Announcement was made that only those reporting for first aid instruction on February 1 at 8:00 p.m. may complete the course. Those coming in later will not be eligible to join. Mrs. Marie Henry, a qualified Red Cross instructor, will be in charge of the class.

Miss Kathleen Starratt reported that some difficulty was being experienced in securing the club sweaters but the order had been placed with an Oregon woolen mill and the merchandise should arrive by February 8 in time for the FWSA meet here.

Club members voted to sponsor a queen for the coming winter sports queen contest and snow ball to be held at Cal-Neva on Saturday night, February 10, at which time Hollywood notables have promised to be on hand to assist in selection of the winner. Attractive new member of the Lake Tahoe Ski Club, Mrs. Patty Scott of Carnelian Bay, won the poll and will represent the local club at Cal-Neva.

New members Mrs. Scott and Mrs. Bob Arney of Kings Beach were welcomed.

Two movies were shown by Ray Fellows at the conclusion of the meeting. One was a skiing film in color taken by Jim Breher, skiing coach of the Tahoe-Truckee Unified Schools, captioned "The French Method of Skiing", the skier being Stan Tomlinson, Squaw Valley instructor, and the second was a division of fish and game film showing how

TAHOE NEWLYWEDS HOLD RECEPTION AT CAL-NEVA LODGE

TAHOE CITY—The night of January 12 was chosen as the date for a smart cocktail party at Cal-Neva by newlyweds Mr. and Mrs. Jim Williamson of Tahoe City to entertain their many local friends.

Mrs. Williamson, who was well known as Markey King, secretary for the past four summers to Cal-Neva's managers, was stunningly attired in black and white with a touch of turquoise blue accenting her costume. She was assisted in receiving by Mrs. James West. The sixty guests who attended gathered around the resort's circular bar and were delightfully

guzzlers are constructed and titled "More Quail for the Desert. Both were most enjoyable. Tasty refreshments were served at the end of the show.

entertained by Cal-Neva's newest singing sensation, Jane Clemens, who accompanies herself on the piano.

Guests who attended included Messrs. and Mesdames Bill Bechdolt, Carl Bechdolt Jr., Kjell Rustad, Al Henry Jr., William Conger, Oliver Henrikson, Jay Shontz, Bruce Kuehn, Herb Mattheus, Robert Pomini, Ralph Strugis, Herchel Hill, Ed Moore, Bob Arney, Fred Schroeder, James Damato, Fred Rockholm, Don Snyder, George Kamp, Ken Steddum, Herbert Obexer, James Goodhue, Max Porter, Stanley Martin, James West, Bud Mandeville.

The Misses Ileta Faulkner, Diane Pearson, Carol Raymond, Elsie Young, and Messrs. Dave Fritsch, John Mortiz, Bob Snyder, Pete Vanni, Charles Chubb, Howard Martin, Bob Hughes and Allen Grandstrom.

Four transcontinental bus lines converge on San Francisco.

You could Live on MILK ALONE!

Did you know that milk is the complete food? That is, you could live on nothing but milk for a considerable length of time and still suffer no dietary deficiencies. It's the truth! Doctors recommend strict milk diets for many ailments. If you've been feeling sluggish lately why not round out your diet with plenty of milk. It's the perfect between meal refresher and a welcome addition to every meal.

Bound to Make a Hit

A recreation room where you can gather with your family and friends will be a mighty welcome addition to your home in the cold weeks

ahead. And actually it's amazing how inexpensive such a room can be.

Why not drop around when you get the chance and talk over any plans you may have for a recreation room.

WE'LL BE HAPPY TO SERVE YOU IN EVERY WAY WE CAN!

She's Winning Over Polio

Infantile paralysis struck Mrs. Marguerite Dunn more than ten years ago, but this young mother of Fresno, California, refused to give up. Here she is shown in Fresno County General Hospital physical therapy pool, attended by Physical Therapist Helen Cadwallader. Not shown, but still very much in picture, is the March of Dimes which is helping Mrs. Dunn back to recovery.

Death came to two families well known at Lake Tahoe during the last ten days. Am grateful to Ben Callender of Homewood and Mrs. Carlton Valentine of Costa Mesa for the information for the column.

Mrs. Valentine's sister Edith B. Eason passed away suddenly on January 19 at her home in Palo Alto where she had resided for a year following the sale of her residence in St. Francis Wood, San Francisco. She was the widow of Dr. John A. Eason, an officer of the Spanish-American War, who died in 1941. He received Masonic services and his ashes were later placed in the National Cemetery in San Francisco.

Ben Callender mailed me a copy of the Santa Rosa home town paper of January 23 telling of the death that day of Peter Bussman, 81, father of Mrs. Callender. He had been ill for five days with a heart ailment but had enjoyed very good health up to December 20 when he was confined to his bed and later to Santa Rosa Memorial Hospital where he passed away. He had been a resident of Sonoma County for almost 70 years and was the owner of the former Frank Woolsey hop and prune ranch on Woolsey Road, which in recent years has been operated by his two sons, William Guy and Ellisworth Byron Bussman. He was recognized as one of the leading agriculturists of the county, being one of the first farmers to introduce irrigation to his hop fields in 1921, three years after he started irrigating his prune orchards. Interested in progressing farming, he was the first in the area to obtain a Caterpillar tractor and in 1925 built one of the largest 2-tunnel prune dehydrators in the country. His activities and accomplishments during his useful and colorful life fill a full column. He and his wife, the former Eva Dale Camp, observed their Golden Wedding anniversary on May 14, 1941, which means he enjoyed an ideal married life for almost 60 years. Besides his widow and two sons, survivors include two daughters, Mrs. Benjamin Callender of Homewood and Mrs. Harriett Idell Hemenover, six grandchildren, one great-granddaughter; brothers Fred and Frank Bussman of Santa Rosa and a sister, Anne Cline of San Francisco. Funeral services were held on Thursday, January 25, at the Presbyterian Church, with Rev. Graydon McClellan officiating. Santa Rosa Elks Lodge 646 conducted the committal services at the Chapel of the Chimes.

Deepest sympathy is extended members of both families. Had a grand letter from Jeanette Mitchell, who with her

spent the weekend at Tahoe Inn and drove up from San Francisco in his new English Jaguar roadster. It is a most attractive little runabout which can make, when broken in, 103 miles per hour. At present it is plugged at 40 mph but has just about accumulated its required "breaking in." Holmwood was on his way on Sunday morning to Modesto and Fresno, where he has portrait commissions, and will later go to southern California to paint members of the James Roosevelt family. He plans an early return to the lake to continue development of his Ward Creek holdings.

During my Saturday luncheon with Annie Soll, I learned that their daughter, Alice, now a resident of Iceland, her small son and husband have just moved into their new three bedroom home. The housing problem has been just about as bad there as here but after a long and patient wait the family is at long last comfortably situated. All keep well.

Mr. and Mrs. Phil Zahlout of the New Cal-Vada Lodge just returned on Sunday evening from an extended visit in San Francisco where they visited friends and relatives.

Newlyweds Mr. and Mrs. Pete Ables' honeymoon is over for the present and they have returned to the grim world of reality. Ditty is back at her job in the office of the Tahoe branch of the Pacific Telephone Company and Pete is down at the San Diego Navy base where he will attend a motion picture operators school for a month. And disappointed for some time to come will be Ditty's sister, Jeanne, now Mrs. Gene Pille of Auburn, who through circumstances just couldn't make it up to Reno to serve as matron of honor at her sister's unexpected marriage recently, a pleasure she had long anticipated.

Wind this up for another week as an overcast sky still prevails with no stars in sight tonight. Temperature remains mild so it doesn't look like snok but one can never tell. My best to one and all, as ever, Swanee.

Long-term Investment that pays daily dividends

THESE days thoughtful people turn their minds to the durability of things they purchase.

But it's rare when doing your duty turns out to be the best way to satisfy your heart's desire.

That's what's so marvelous about this '51 Buick.

If you picked a car just for the lift it gives you—your pride in its power—or its generous comfort—you couldn't make a better choice.

But make note of this:

That gleaming new push-bar forefront, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortified by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection.

Springs of stout spiraled steel on all four wheels let your wheels curtsy over bumps, while you ride level as a lance. But they also need no servicing, and breakage is virtually unknown.

Buick's great-powered engine is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection

that comes only from years of experience with this basic design.

Dynaflow Drive gives you effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, eases strain on the whole driving mechanism, from engine to differential.

The road-steady gait of a Buick assures relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you. However you check it, you'll discover this: The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy.

Better see your Buick dealer—soon.

Standard equipment, accessories and trim illustrated are subject to change without notice.

No other car provides all this:

DYNAFLOW DRIVE* • FIREBALL POWER
4-WHEEL COIL SPRING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on other Series

CALL GOES OUT FOR QUEEN CANDIDATES FROM TAHOE C. OF C.

TAHOE CITY—Mrs. Bud Mandeville, secretary of the Lake Tahoe Chamber of Commerce at Kings Beach, on Monday announced that invitations had been sent by the chamber to 80 ski clubs of Nevada and California to enter a queen candidate in the contest which will be held at Cal-Neva Lodge on the evening of February 10. This is the third annual contest, conducted by the chamber, the first year, 1949, seeing 15 candidates entered, 1950 having seven. First queen chosen to represent a local club is Mrs. Bud Scott of Carnelian Bay, who will represent the Lake Tahoe Ski Club. She was chosen at last Friday night's meeting of the club in Tahoe City community hall.

Mrs. Mandeville declares any ski club is invited to enter a candidate and free housing by the

chamber of commerce on Saturday night only will be granted for each queen candidate, with a request for the number of persons who may accompany her wishing accommodations in the same resort. All excepting the candidates will have to pay their own way. A good 8x10 photograph of the candidate is requested by the chamber. These should be sent in to the Lake Tahoe Chamber of Commerce, Kings Beach, by February 3, although those arriving later will be acceptable. All queen candidates will be given a free dinner at the Coronation banquet in Cal-Neva's dining room on Saturday night, February 10, at 8 p.m. during which Hollywood notables have promised to be on hand to serve as judges.

The winner will be chosen for beauty, poise and costume. The winning contestant, who will be known as the Lake Tahoe Winter Sports Queen, will also receive a complete ski outfit, which will include pants, jacket, sweater,

stiks, ski poles, bindings, boots and cap. Each finalist will be given a ski jacket.

The ski contestants will also be guests at the cocktail hour being sponsored by Cal-Neva Resort on Sunday evening, February 11, at 6:30, at which time guests will include officials of the Far West Ski Association, contestants who participated in the Lake Tahoe Ski Club's two day championship meet and members of the Tahoe club and their friends. The Lake Tahoe Ski Club's big annual winter sports banquet will be held Sunday evening, February 11, in the resort dining room, following the cocktail hour. At that time, Doug Ross, manager of Cal-Neva, will dine the queen and her court at a special banquet. Tables may be reserved for both Saturday and Sunday night but the public is invited to attend and lend support to their favorite candidate.

President of the Lake Tahoe Chamber of Commerce is Bud Beecher, who is critically ill at his home in Kings Beach. His duties are being taken over by C. W. Vernon, first vice president, of Tahoe City and H. E. Brooks of Kings Beach. Other directors of the chamber are Ken Amundson, treasurer; Eugene Jarvis, Brockway; Judge McCleery, Glenbrook; Ellsworth Chappel, Zephyr Cove; Carl Byrd, Al Tahoe; Al Young, Bijou; E. R. Smith, Tahoe Valley; Norman Celio, Myers; Mrs. Jeannette Basse, Stateline; Fred Cunningham, Homewood; Harold Feakins, Tahoma; William Wiseman, Brockway; Roy Porath, Kings Beach; A. J. Ketman, Carnelian Bay; Bob Snyder, Lake Forest; Norman Mayfield, Tahoe City and Ed O'Haggerty, Tahoe Vista.

FRUITS AND NUTS

Based on 1462 acres devoted to fruits and nuts in Nevada County, growers received some \$526,320 on the average received last year, according to the Capitol News Service of Sacramento.

TAHOE LAKE PTA WILL SPONSOR VALENTINE DANCE

TAHOE CITY—Mrs. June Grinstead of Lake Forest, president of the Tahoe Lake PTA, presided at the Thursday afternoon meeting held in Tahoe Lake School. Sixteen mothers were present. Considerable discussion was held on a number of topics none of which was acted upon at the time.

The teachers of Tahoe Lake School will hold an open house meeting on February 7 at 7:30 p.m. for the purpose of becoming better acquainted with the mothers of their students. Mrs. Max Porter is in charge of the party and she will be assisted by the room mothers who will prepare the refreshments.

Members voted to sponsor a Valentine Dance for the children of the school on February 16 in the auditorium. Children from the first, second and third grades who attend must be accompanied by a parent.

WOMEN'S CLUB HAS MEETING; VOTES TO BACK MRS. STULP

TAHOE CITY—Mrs. Laura Wilson, secretary of the Women's Club of Tahoe, presided at the meeting held January 24 at Rockwood Inn, home of Mrs. Vey Young, who entertained the club members at a dessert luncheon at 1 p.m.

Members voted for Mrs. Amy Stulp, who is a candidate for president of the California State Federation of Women's Clubs. The vote was unanimous in her favor.

A check for \$36 was received from the Lake Tahoe Ski Club which purchased a 48 cup coffee dipulator from the women's club. Mrs. Blanche Donaldson was welcomed as a new member. The club also voted to send a subscription for the magazine Quick to the boys at the U.S. Naval Hospital at Oakland.

Canasta was enjoyed following the regular business meeting.

ADVERTISE!

DeMattei Is New Chief Of SP Com System

A. E. DeMattei

Appointment of A. E. DeMattei as superintendent of telegraph for Southern Pacific, effective February 1, was announced recently by R. E. Hallawell, the railroad's general manager. DeMattei will succeed W. R. Birt, whose retirement after a half century railroad career was announced last week.

With headquarters in San Francisco, DeMattei will have jurisdiction over the railroad's communication services in six western

states, Hallawell said.

DeMattei has been with Southern Pacific since 1909, starting as an office boy for the company's general storekeeper in San Francisco. He advanced through clerical positions to become chief clerk to the superintendent of telegraph in 1923, and assistant to superintendent of the same department in 1937. He has been assistant superintendent of telegraph since 1943.

Water and Weather Data For Tahoe District

TAHOE CITY—The level of Lake Tahoe on Monday morning stood at 6227.84 with 1245 CSF of water leaving the gates in Tahoe City. Total snow on the ground in Tahoe City measured 18 inches with greater depths in out-lying areas to the south.

Starting January 22, the high and low temperatures for the past week were as follows:

Jan. 22nd: 42, 33; 23rd: 40, 26; 24th: 35, 23; 25th: 30, 22; 26th: 37, 25; 27th: 43, 25; 28th: 39, 24. Low on Monday morning was 23 degrees.

On January 22nd, 2.62 inches of precipitation was registered, with traces on the 23rd and 29th. Light snowfall visited the Tahoe area on Monday, with colder temperatures Monday night.

There are more than 200 oil wells in Kings County.

POWER PLUGS

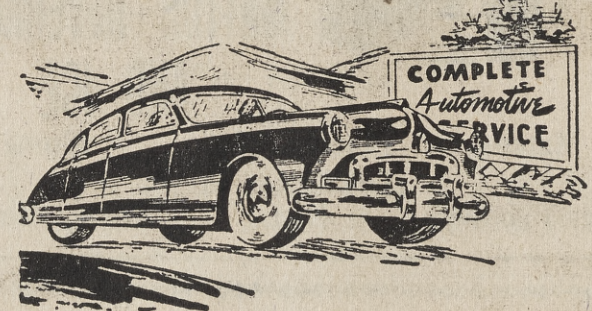

Tied Down with Rambling Cords?

Extension cords running all over your home are a constant nuisance and something that's easy to stumble over. In addition, by overloading wall sockets with numerous outlets, you may be letting yourself in for a good deal of trouble.

It's better by far to equip your home with a plentiful supply of wall sockets. In this way you have electricity exactly where you need it most, without fussing with rambling cords.

TRUCKEE PUBLIC UTILITY DISTRICT

THE WHOLE TOWN Is Talking About Our Latest Oil Heat Product!

New Standard Furnace Oil with THERMISOL* Stops Oil Burner Filter Clogging!

* Thermisol, a remarkable new chemical added to New Standard Furnace Oil, has been perfected and proved to stop sludge deposits from building up on oil burner filter screens. This product, first of its kind in the West, ends a major cause of costly oil burner service calls.

It also washes away sludge deposits that have been built up—actually purges as it feeds to the burner. And it guards against rust on your storage tank walls.

We are proud to offer this grief-saving, money-saving new product to every oil furnace user in this area.

My Place In the Sun

by DOUG BARRETT

When we recently ran short of Sierra Suns for the last three weeks of December, we advertised an offer to buy these copies... and our response was good... we got returns from A. J. Ketman, Brockway and Menlo Park; Gene Stowe, Downieville; Arthur Leitch and Earl Stice, Truckee... with their compliments... for which we are most grateful... File on me... I completely overlooked the very important second birthdate of Richard Ralphs, son of the Sterling Ralphs of Big Chief, on January 18... and hasten to extend wishes for many happy returns... Robert Seibold spending the first half of his fortnight holiday catching up on his skiing... What's this I hear about Guido (Charlie) Cozzi once being a member of an international ski team?... Word comes that the March of Dimes has been extended from Jan. 31 to Feb. 15... give and if you've given, give again... Bud Owens made his debut as a basketball ref at the March of Dimes game last Friday... calling two fouls on Willie Curran—period... Red and Phil Jolly very well pleased with their new Ford... recently purchased from Wittich Motors in Colfax... Jerry Zunino is off on vacation and a sign proclaims that his shoe shop will be open Feb. 13... which doesn't stop potential patrons from rattling the door and disturbing Vic Salva-

The Lenten Call

by REV. A. A. CARMITCHEL
Minister, Community Methodist Churches, Truckee and Kings Beach

We are again entering the Lenten Season, when we seem to come closer to the Saviour than at any other time of the year. Whether we are churchmen or not, we cannot be unmoved by the fact that so many of our fellowmen have set themselves to use these 40 days before Easter Sunday as a time for bracing discipline and self-denial. From one end of our world to the other, men and women are setting themselves to schooling their will. That is what Lent implies and involves when taken seriously. It is a preparation to see the Cross and appreciate the Resurrection. The Church commends us to use this time to break free from the seductions of softness, to rise above the material considerations

which threaten to choke our souls.

This is the season to resolve to attend the First Service on Ash Wednesday in the Church of your faith and attend every service as directed thereafter. Let us give all these services precedence over every other engagement. Put your Saviour, Jesus Christ, and His Church first on your list of appointments. Pray daily for the Church, its Pastor and yourself. Read and meditate daily upon the Saviour's life and Passion. Always try to bring your guest to the Altar of God. Remember to pray for all servicemen of our nation. Lent has a two fold object—to strengthen and deepen our spiritual life in Jesus Christ by a special period of emphasis, humiliation and meditation; to focus our thoughts on the Love of the Saviour, and His gift of forgiveness of sin, thus binding us closer to God and his redemptive love. Recall, that daily you can sacrifice something for Him, and your self-denial will be your sign of sharing with others less fortunate. This is the season of sacrifice and self-denial, and may we return an hundredfold to Him—because He gave Himself for us.

THE LENTEN SERVICES

TRUCKEE
Ash Wednesday, Feb. 7, 7:30 p.m., Evening Prayer. Theme: "Crises of Jesus' Last Days." Every Thursday evening during Lent, Service at 7:30 p.m. Every Sunday during Lent, 8:00 a.m.: Morning prayer and meditation; 10 a.m.: Church School; 11 a.m.: Morning worship

and sermon. Theme: "The Cross."

Holy Week Services

SERVICE CLUBS' JOINT MEETING HEARS SPEAKER

Dr. Walter A. Dew, a research chemist since 1924 and Pacific manager of the extension division of the DuPont Company, addressed a joint meeting of the three local service clubs Monday evening on "What is Behind the Chemical Industry."

"We have the things we want because we have an industrial system that is greater than any in the world," he declared. "The story of industry is the story of our standard of living."

Urging his audience to help maintain the conditions which made this possible, Dr. Dew said: "America is strong because it is based on freedom to imagine and create; freedom to act and distribute products in a competitive market."

"Industry is made up of people who work together to produce goods and services for people at a fair profit for their efforts," he said. That, he declared, is a real strength in our way of life and it is the envy of others.

The Truckee Rotary Club was host for the evening. President Bob Gifford of the Lions Club introduced Club Charter President Art Leitch, while 20-30 Club President Earl Smith introduced their charter president, Dave Rose. Rotary President Jim Sherritt introduced Joe Mattos as its club charter president, along with Walter Jansen of Lincoln, district governor of Rotary.

Sherritt also introduced Supervisor Henry Loehr as well as the directors of the Tahoe Forest Hospital District, Charles R. Heller, Ray Scott, F. B. Seder-

Accident Victim Asks \$600,000 for Injuries

Robert Allen, student at the University of Nevada, injured in a truck-car crash five miles west of Truckee on Highway 40 last October 11, filed suit in Nevada County superior court this week for \$600,000 damages.

Wells Cargo and Kenneth Leon Eoff, driver of a Wells Cargo truck, were named defendants in the action.

Allen charges that as a result of the injuries he received in the accident he has been unable to pursue his studies at the university and contends that the injuries are of a permanent and progressive nature.

According to the complaint Allen's injuries included cerebral concussion, retrograde amnesia, fractures of the facial bones, lacerations on the bridge of the nose, left eyebrow, left forearm, left knee and neck, and lacerations to the cornea of the left eye which has seriously impaired his vision.

No Sunshine—

Norman Mayfield of Tahoe City, staying at Auburn for a short time, opines that he will have to return to Tahoe to see the sunshine as it was hidden at the Placer County seat.

Happy Day—

Mrs. Glenn Coffey celebrated her birthday on Monday, January 29.

berg, Sherritt and Jack McGlade, clerk of the board.

George (Bud) Zorich is program chairman for the Rotary meeting February 5.

FIRST IN SERIES OF SCHOOL TEAS HELD TUESDAY

Tuesday, in the first grade at Truckee elementary school, parents attended the first in a series of teas to be held in all grades. The purpose of these will be to explain what is being taught, how it is being taught and a little of the preparation that goes into each day's program.

This will be an opportunity for the teachers and parents to get together to talk over their questions and gain a better understanding of the program being conducted in the school.

Mrs. Betty Miescke, first grade teacher, chose the explanation of a sample day as the method for explanation of the first grade curriculum. She showed how standards were developed for a good listener and how standards were set up by the teacher for the dramatic play to be used. She then went on to tell about the reading group arrangements and how the readiness program leads directly into the reading of words. She also explained that children could not be expected to learn the number meanings nor new words without many, many repetitions.

The groups had several questions to ask after a description of the day was given. From the questions it was brought out that helping children at home was very valuable, if the help was of the same type as given in school. The most important phase along this line was the fact that primary children should be taught both the lower and upper case letters and to learn the place for each. The help in the numbers work was directed along the lines of meaning and an encouragement of patience in the development of the mechanics of writing, because this is controlled mostly by the physical muscular development.

The schedule for the remainder of the teas is as follows:

February 6: 2nd grade, Miss Irene Oetjen.

February 8: 3rd grade, Mrs. Blanche Gage.

February 15: 4th grade, Mrs. Ola Tiffet.

February 16: 5th and 6th grades, Lynn Kishbaugh.

February 19: 7th and 8th grades, Arthur Eve.

RECIPE OF THE WEEK By Mary Lee Taylor

Pancakes with Sausage Patties

Broadcast: February 3, 1951

1½ cups plain pancake mix
¾ cup Sego Milk
¾ cup water
½ lb. bulk pork sausage

Put the mix into bowl. Stir in mixture of ¾ cup milk and water. Do not beat until smooth, as overbeating toughens pancakes. Bake on hot, slightly greased griddle or in heavy skillet, until bubbles appear and edges are cooked, then turn and brown other side. Makes eighteen 4-in. cakes. Meanwhile, mix sausage with rolled oats, the ¾ cup milk, onion and mustard. Shape in 8 flat patties. Brown slowly on both sides in hot, greased skillet. Serve with pancakes and syrup. Makes 4 servings.

You Will Need:
Sego Milk, Pancake Mix, Bulk Pork Sausage, Syrup.

SLAVE'S ATTACK BY
HURLING HIM RUTH-
LESSLY OVER HIS HEAD.

DAZED, HE STAGGERED
TO HIS FEET AS SKAR,
THE QUARRY MASTER,
CAME FORWARD,
"WHAT'S GOING
ON?"

"IT'S HIS FAULT," WHINED THE SLAVE, POINTING TO TARZAN. BUT THE
GIRL SUDDENLY INTERRUPTED. "NO! I AM TO BLAME!"

SKAR HESITATED
WHEN HE SAW THE
BEAUTIFUL GIRL,
"AH, HA! NOW I
UNDERSTAND!"

"ALSO, I CAN EASILY SETTLE THE ARGUMENT," HE GRINNED EVILLY,
"FOR I WILL BUY THIS MORSEL FOR MYSELF!"

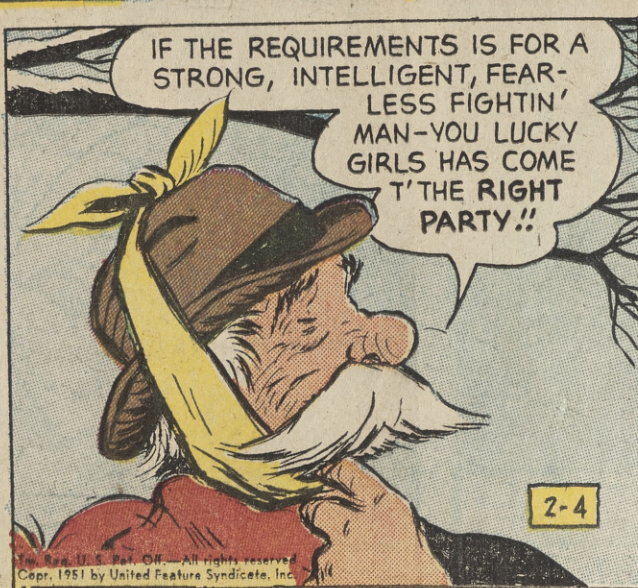

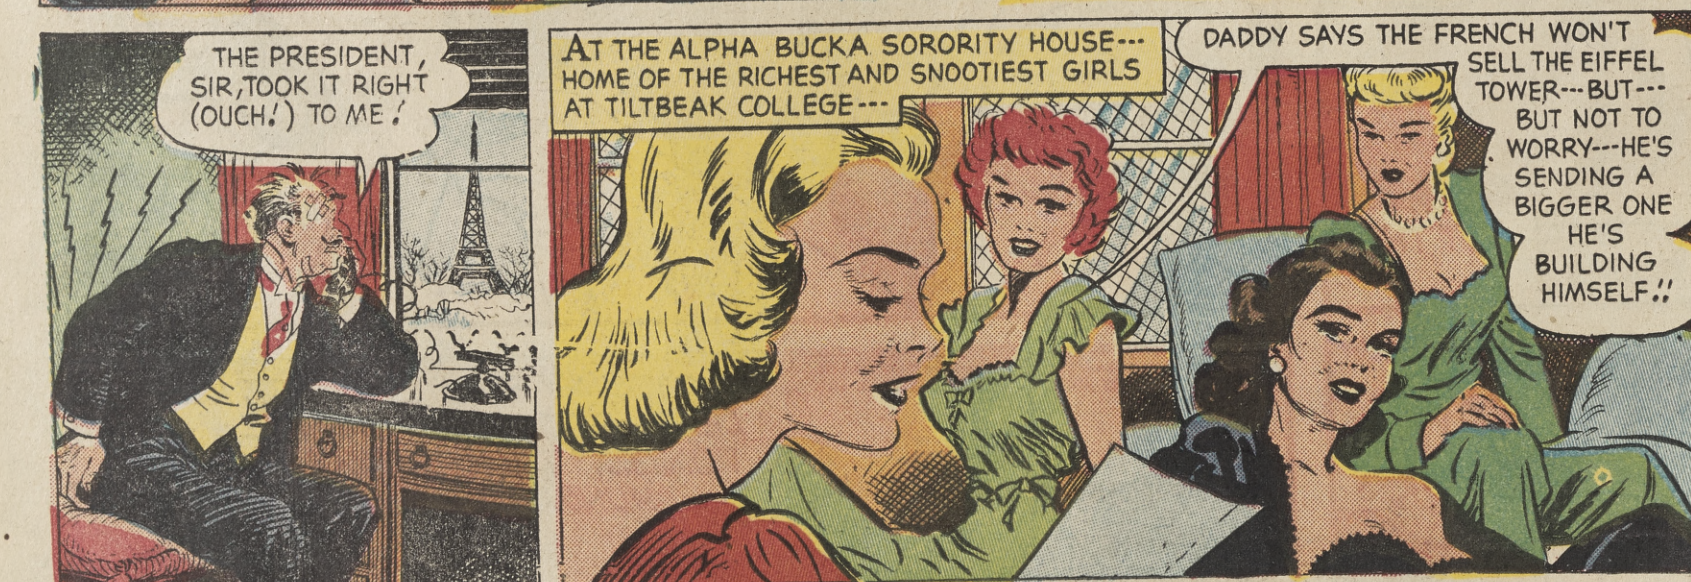

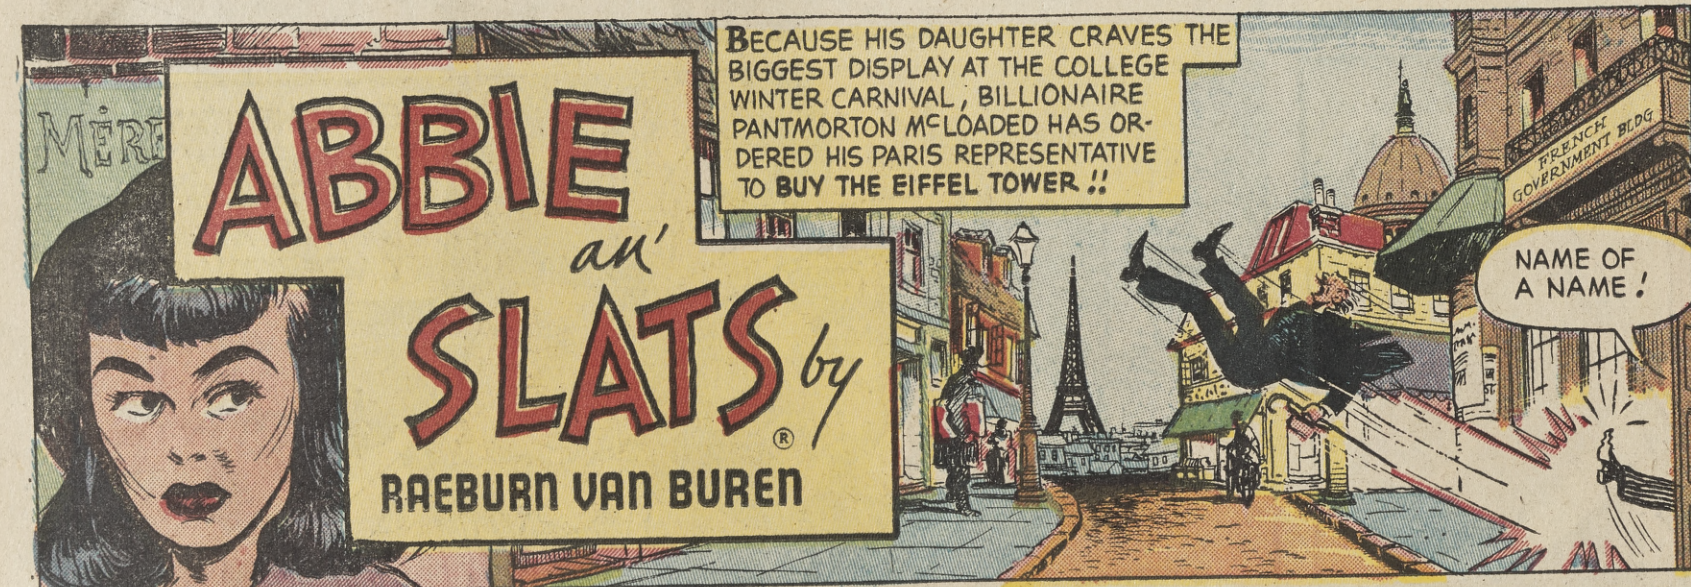

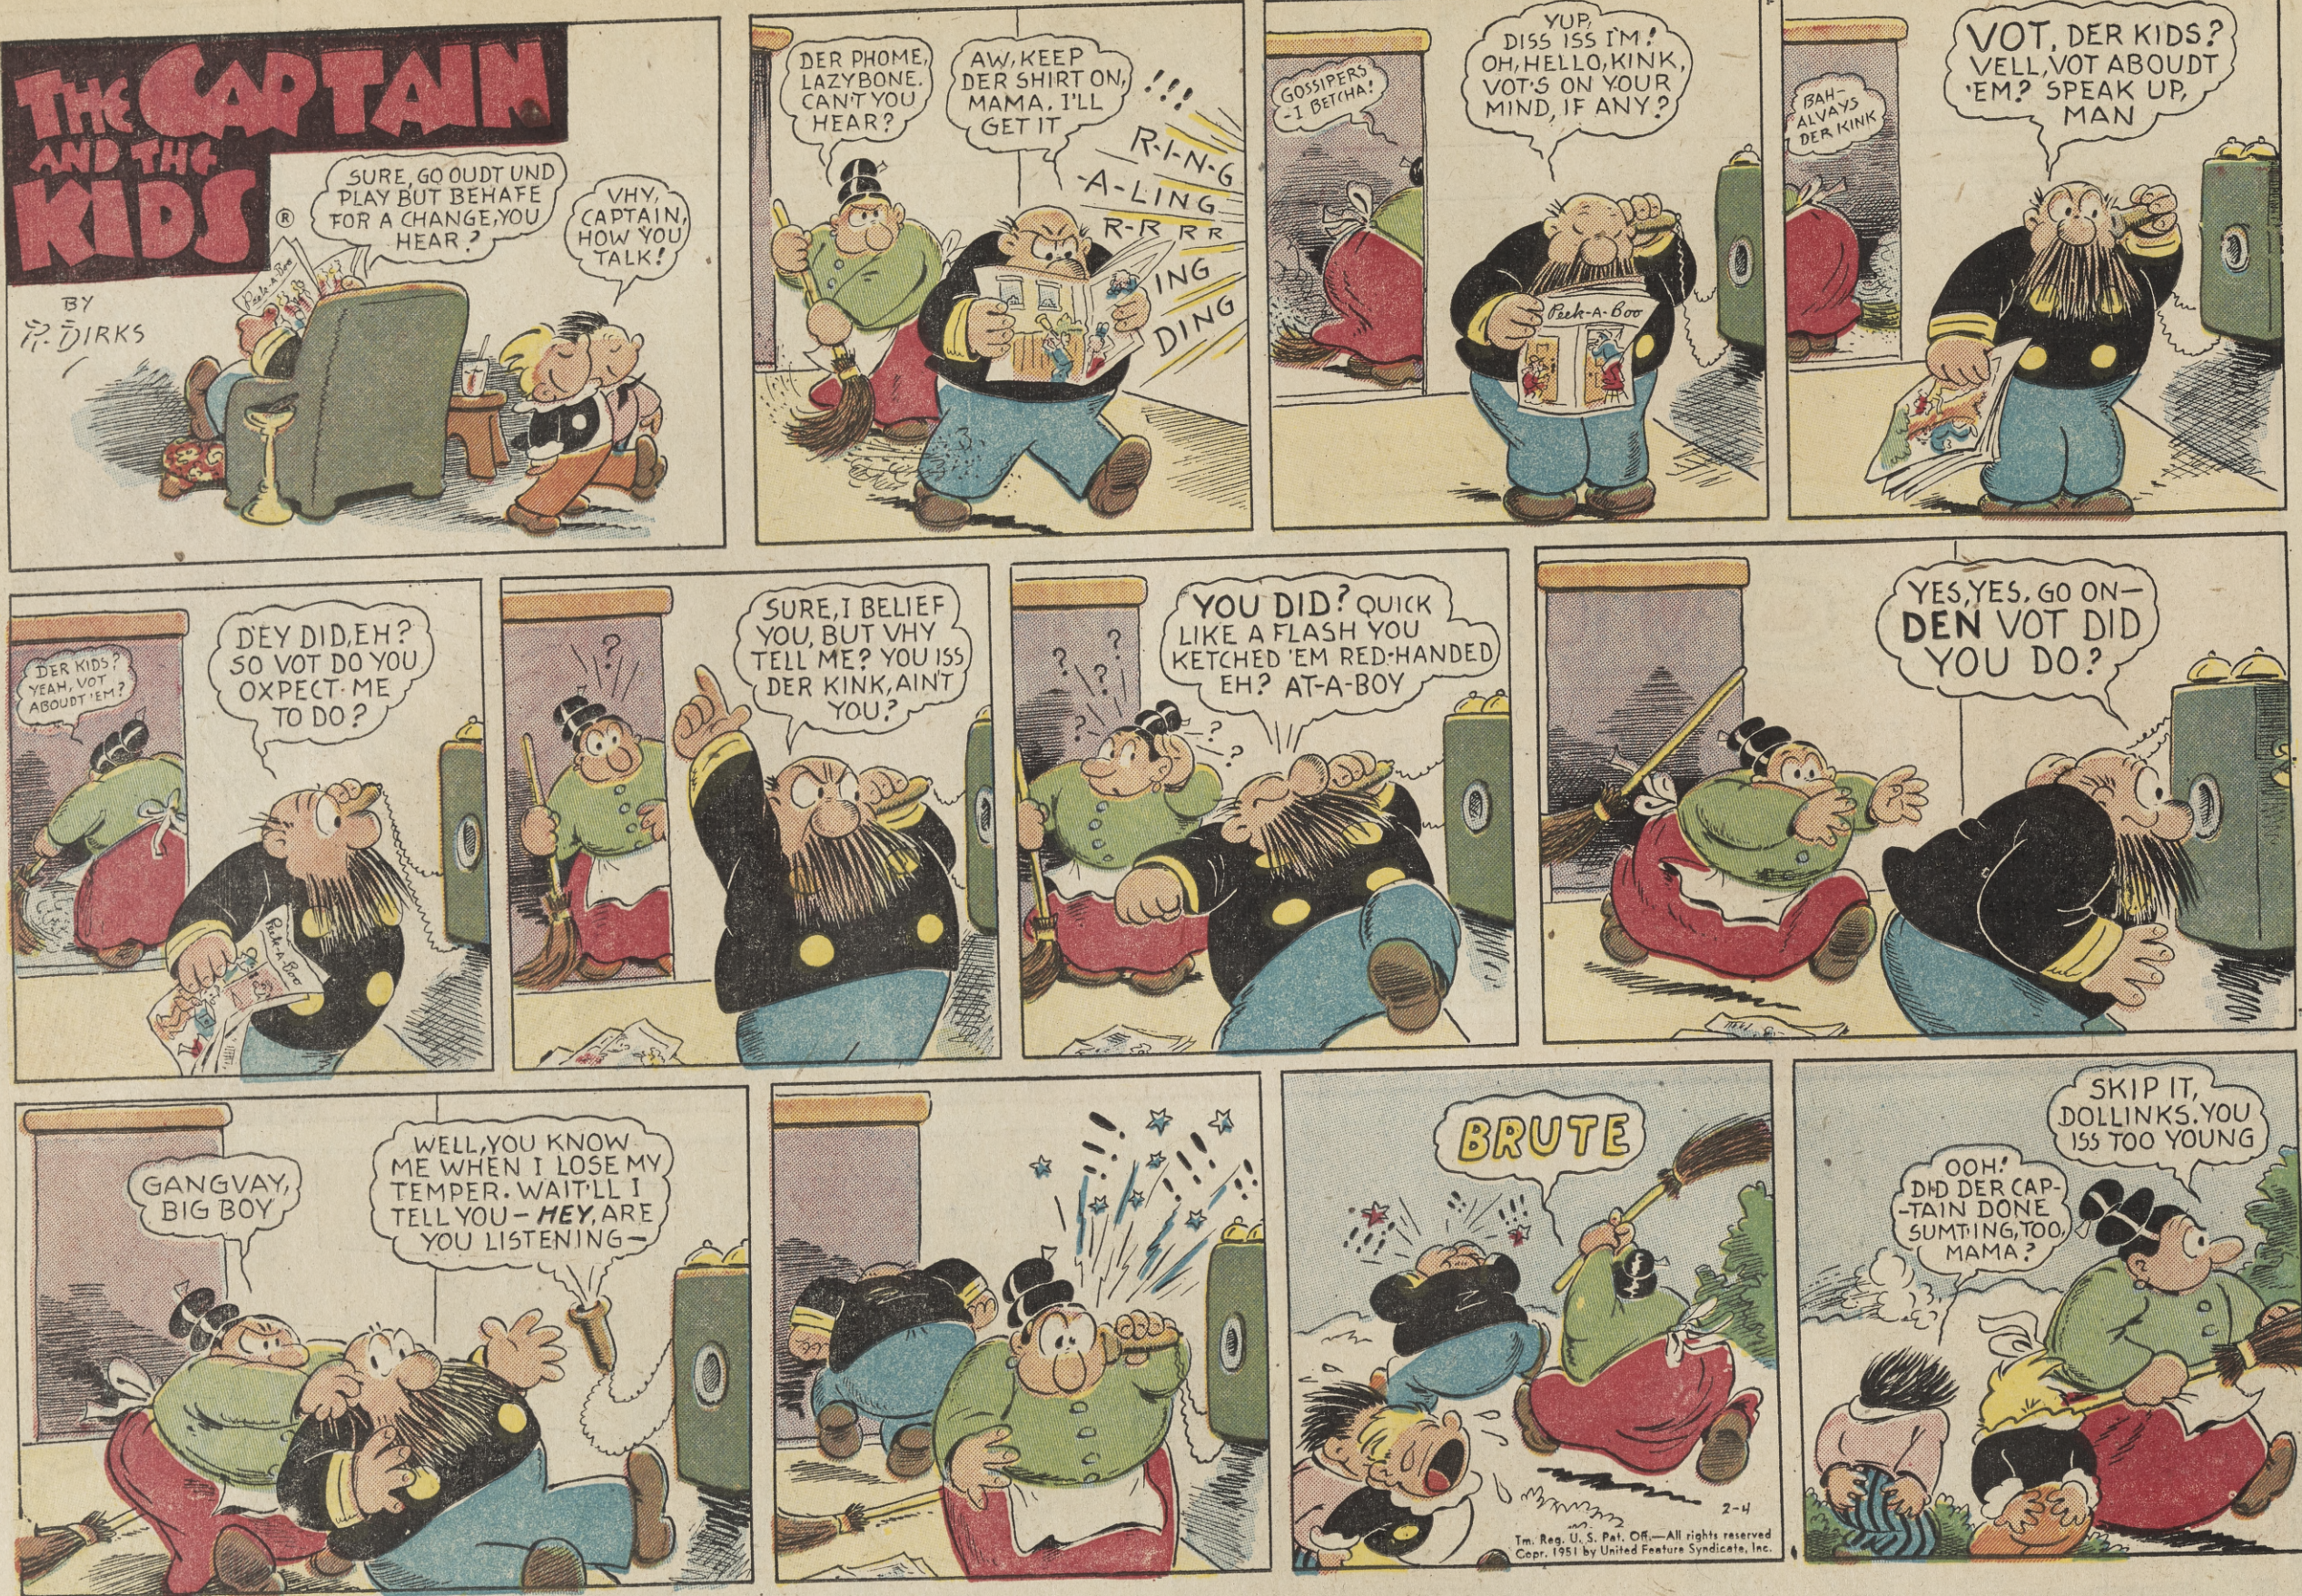

"AND YOU, MY SPIRITED BEAST, MUST
LEARN DISCIPLINE." THEN HE
ROARED, "TOMORROW, ONE
HUNDRED LASHES!"
